MEMORANDUM FOR: Chairman, CSPB Support Committee

SUBJECT: Emergency Operation Plan, []

REFERENCE: Memo to Chairman, CSPB Support Committee from
DTR dated 26 March 1955, Subject, "Annex U,
[] Emergency Operations Plan No. 11-54"

1. The training support implications of subject plan are substantial. Since the [] training annex still remains to be prepared, the only comment the Office of Training can submit at this time is that extensive planning for training support will be required in order to accomplish the [] training mission.

2. The reference cited stated that if Office of Training support to [] is required to develop cadre training assets necessary to put that plan into effect on D-Day then the earliest possible notice to that effect is requested. The Office of Training wishes to add that the same statement is also applicable to the [] training mission.
